

A Successful Ascent To Adulthood

Extending services and support to age 21 would throw a rope to young people transitioning from foster care to adulthood by giving them the resources they need—like caseworker support, housing assistance, and healthcare access—to help them overcome barriers they are more likely to encounter and climb to a bright future.

Dear Senator _____,

LB 216 would extend services and support to youth who age out of foster care until they turn 21. I ask that you support this bill because:

Please help remove barriers for youth transitioning from foster care to adulthood by supporting LB 216.

Sincerely,

(name)

(age, if you'd like to share)

(address/city)
